

Historic Properties Endowment Fund Contribution

Kentucky Revised Statutes 11.026 authorizes the receipt of gifts to be placed in the Historic Properties Endowment Trust, and the administration of that fund by the Director of the Division of Historic Properties and the Secretary of Finance and Administration Cabinet. This creates a unique opportunity for private citizens to support the Commonwealth's efforts to preserve, restore, acquire, and conserve the numerous holdings presently owned or potentially acquirable.

We invite you to share in the preservation of Kentucky's heritage through your contribution to the endowment fund by mailing in the information requested below and returning your check, along with the form, to the following address:
